## NEWSLETTER No 4 – February 2019

### PRESIDENT'S MESSAGE

*Fellow members,*

*As we begin a New Year our Association has lost another Spitfire pilot with the passing of Cmdr.(Ret'd) Arthur (Nat) Gould. Nat was one of Australia's most distinguished pilots with a long career in both the RAAF and Fleet Air Arm; "Lest we Forget"*

*With ANZAC Day coming up quickly Members will be given an overview of the forward planning for the Spitfire Association and the complex task of sustaining our future with a new purpose, which always remembers the contribution the men and women who built, flew and maintained this aircraft made.*

*It is my pleasure and privilege to announce our guest speaker at the ANZAC Day luncheon this year will be the Air Commander Australia (ACAUST) AVM Steve "Zed" Robertson DSC, AM.*

*Planning is also underway for tour to Europe to celebrate the 80<sup>th</sup> Anniversary of the Battle of Britain. Whilst in England I met with and confirmed several venues and speakers that will result in a very special tour. The details are being finalised, including Itinerary, formal functions and speakers, but you can expect to attend several airshows including Duxford and RIAT, plus venues such as Brooklands, Filton and the RAF Museum in Hendon. Further details shortly in a separate communication, but this will be an excellent tour with some guest speakers rarely available otherwise.*

*Karen and I are delighted to be home in Australia after nearly ten unexpected and unplanned months in England attending to family matters. Thanks must go to my committee members all and one for holding the fort, sometimes against the odds. Their faith in our Association and devotion to the task of maintaining its future is remarkable.*

*Warm regards,*

**Geoff Zuber**

### Temora Flying Days

The Temora Aviation Museum is a great institution for maintaining our warbird heritage and besides the sensational bi-annual "Warbirds Downunder" airshow, it also showcases its aircraft with flying displays throughout the year. Titled "Aircraft Showcase" days, the following dates are applicable for 2019:

Saturday and Sunday 13 and 14 April

Saturday 8 June

Saturday 31 August

Saturday 28 September

Saturday and Sunday 13 and 13 October

Saturday 30 November.

The aircraft flying on those days are affected by operational and maintenance issues and detailed information can be obtained from the web site closer to the dates of the airshows at:

<https://aviationmuseum.com.au/>

There are quite a few other minor aircraft show cases at various locations throughout the year and these are supported by individual associations.

### THE SPITFIRE ASSOCIATION SHIELDS

For some years the Spitfire Association presented shields annually to the top flying Cadets of various RAAF Cadet Units.

*W/C Jim Younger and Peter Radtke present the shield to Cadet F/S Essie Broadbent in Darwin some years ago.*

The Association is interested in promoting these annual awards to foster the interest of young people in flying, particularly through the Royal Australian Air Force and dedicated to the memory of Spitfire pilots and ground crews of the Spitfire Association.
